

Vacuum bottle THERMO 480 ml

Code: **16014-02**

Price: **€10.12** Net

AVAILABLE COLORS:

02

The THERMO thermal bottle is a very interesting gadget. It combines the classic function of a thermos and electronics in the form of a touch digital thermometer built into the cap. Just turn the bottle upside down for 10 seconds to read the most accurate temperature of the drink. Additionally, a droplet icon is displayed, which changes color depending on the temperature: red when the drink is hot, yellow when it is drinkable, and green when it is cold. Thanks to the vacuum between the walls, it maintains the temperature for about 13 hours. Made of 304 stainless steel. Inside there is a strainer, thanks to which we can brew tea.

Country of origin:	China
Batteries included:	YES
Battery type and quantity:	bez możliwości wymiany
Air Transport Possibility:	No
BPA FREE:	YES
Capacity (ml):	480 ml
Warranty in months:	12
Dimensions:	ø 64 x 225 mm
EAN:	5905179636140
Customs code:	9617000000
Color:	02 - black
Material:	metal, plastic
Product packaging:	brown cardboard box
Gross unit weight (kg):	0.2870
Dimensions of the package:	230 x 70 x 70 mm
Number of pieces in a carton:	25
Dimensions of the box (cm):	39 x 39 x 26
Weight of the carton (kg):	8.000
