Code: **37063-02**

Price: **€9.88** Net

The RALO umbrella is a stylish and convenient all-weather solution. Thanks to its automatic opening and closing mechanism, it unfolds with the touch of a button on the wooden handle. The canopy made of durable 190T rPET polyester material effectively protects against rain, while the metal and fibreglass frame increases wind resistance. This is complemented by a wooden button on the closing strap, which adds an original touch to the umbrella. The possibility of labelling makes RALO a great choice as an elegant advertising gadget.
