

## Flashlight with magnet ITI

Code: **29125**

Price: **€6.40** Net

An amazing gadget with many applications. Whole product is made of steel, the flashligh has a movable head with 3 led lights and a telescopic body. Another advantage is that on the both ends of the flashlight there are attached magnets. Build of this product is really solid and it also has a clip that will help to carry it arround. Marking can be placed on the flat surface on the flashlights handle.
